

## TEEBAgriFood Global Symposium

7-9 November 2023

### Breakout sessions

#### Purpose and structure of breakout sessions

The purpose of the breakout sessions is sharing of country experiences in smaller groups to facilitate interactive dialogues between countries on the challenges and successes of project implementation and to consider how to strengthen the science-policy interface and take emergent recommendations forward after project close.

Participants are invited to review the scope of each session in advance and consider which sessions they would like to attend and input into.

There are four allocated times for breakout sessions:

Breakout session 1: 11.50—13.20, Tuesday 7 November

Breakout session 2: 16:30—18:00, Tuesday 7 November

Breakout session 3: 12:00 – 13:15, Wednesday 8 November

Breakout session 4: 14:30 – 16:00, Thursday 9 November

At each time, four or five breakout groups will run in parallel in different rooms. Participants are invited to join one breakout group during each session as per the schedule below.

Note that some groups are run multiple times on multiple occasions, whereas others only run once or twice. Accordingly, participants are invited to review the schedule and manage their participation to ensure attendance in line with their interests.

#### Facilitation

Each session will be facilitated by members of UNEP-TEEB. The Country Exchange sessions (C,D,E) will have invited representatives from one or two countries to commence proceedings as lead discussants. If you would like to lead a particular session, please contact your UNEP-TEEB focal point.

#### Translation

Chinese and Spanish translation will be provided in the Plenary room (CR1) and in Breakout MR-G during breakout sessions. Participants requiring translation are invited to attend the sessions held in these rooms.

<b>Project Impact Workshops – lead by TEEB</b>			
<p><b><i>Transforming Food Systems by applying research results</i></b></p> <p>Translating scientific knowledge into policies, programs, and investments to transform food systems. Communicating and mainstreaming research results; developing policies, incentives, or regulations from research results that will transform food systems.</p>	<b><u>Date and time</u></b>	<b><u>Location</u></b>	<b><u>UNEP Facilitators</u></b>
	Breakout session 1A: 11.50—13.20, Tuesday	CR1	Anna Hellge Jacob Salcone
	Breakout session 2A: 16:30—18:00, Tuesday	CR1	Anna Hellge Jacob Salcone
	Breakout session 3A: 12:00 – 13:15, Wednesday	MR-F	Anna Hellge Mohamed Thiam
	Breakout session 4A: 14:30 – 16:00, Thursday	MR-G	Anna Hellge Jacob Salcone
<p><b><i>Transforming Decision Making by mainstreaming the TEEB approach</i></b></p> <p>Changing the way decisions are made. Looking back: Sharing lessons from applying the Framework and overcoming challenges. Looking forward: Institutionalizing TEEB approaches after the closure of this project. Strengthening the science-policy interface.</p>	Breakout session 1B: 11.50—13.20, Tuesday	MR-G	Monica Lopez Jay Amstel
	Breakout session 2B: 16:30—18:00, Tuesday	MR-G	Monica Lopez Lucy Cockerell
	Breakout session 3B: 12:00 – 13:15, Wednesday	CR1	Alka Bhargava Reuben Gergan
	Breakout session 4B: 14:30 – 16:00, Thursday	MR-C	Will Speller Lucy Cockerell
<b>Country-Exchange Sessions – lead by countries and facilitated by TEEB</b>			
<b><i>Natural Capital Measurement</i></b>			
<b>Climate change mitigation</b>	Breakout session 1C: 11.50—13.20, Tuesday	MR-A	Reuben Gergan

Measurement of carbon sequestration to feed into Nationally Determined Contributions.			Marcio Selva
<b>Water, soil, climate regulation and other ecosystem services.</b>  Erosion control, flood mitigation, nutrient retention, water quality. Using the Framework to evaluate potential impacts of policies and climate change, and identify best adaptation strategies.	Breakout session 3C: 12:00 – 13:15, Wednesday	MR-G	Jay Amstel Marcia Sumire
	Breakout session 4C: 14:30 – 16:00, Thursday	Foyer	Reuben Gergan Marcio Selva
<b>Social Capital Measurement</b>			
<b>Social welfare.</b>  Experiences measuring and valuing social capital and integrating this into policy recommendations focussing on social networks and social cooperation; application of indigenous/ community knowledge; women’s empowerment and gender; and indicators for measurement of social capital	Breakout session 1D: 11.50—13.20, Tuesday	Foyer	Alka Bhargava Rhea Malhotra
	Breakout session 2D: 16:30—18:00, Tuesday	Foyer	Reuben Gergan Jay Amstel
<b>Human Capital Measurement</b>			
<b>Health benefits and costs of agriculture.</b>  Experiences measuring and valuing human capital and integrating this into policy recommendations. In particular, measuring health and nutrition impacts through scenario analysis.	Breakout session 1E: 11.50—13.20, Tuesday	MR-F	Will Speller Rebeca Leonard
<b>Applying the Framework to specific policy themes</b>			
<b>Trade, pricing and consumption</b>  Applying the Framework across the entire value chain, including issues in international trade, pricing and certification of sustainable produce in domestic	Breakout session 2C: 16:30—18:00, Tuesday	MR-A	Marcio Selva Marcia Sumire

and international markets, and ensuring consumer demand for sustainable produce.			
<b>Deforestation free supply chains.</b> Using the Framework to measure deforestation and certify deforestation-free supply chains.	Breakout session 3D: 12:00 – 13:15, Wednesday	MR-C	Marcio Selva Jacob Salcone
<b>Integrated cropping systems: Agroforestry</b> Applying the Framework to agroforestry, under-canopy, and other integrated cropping systems.	Breakout session 2E: 16:30–18:00, Tuesday	MR-F	Will Speller Alka Bhargava
<b>Integrated cropping systems: Livestock and crops.</b> Applying the Framework to integrated livestock and cropping systems.	Breakout session 3E: 12:00 – 13:15, Wednesday	Foyer	Will Speller Monica Lopez
<b>Agroecology and organic agriculture.</b> Application of Framework to organic agriculture, including a) measuring the benefits and trade-off, b) addressing supply and demand constraints, including supply chain measures, certification and de-elitisation of consumption.	Breakout session 4D: 14:30 – 16:00, Thursday	CR1	Alka Bhargava Monica Lopez
